10 **UNITED STATES DISTRICT COURT**
11 **DISTRICT OF COLUMBIA**

12 UNITED STATES OF AMERICA,

13 Plaintiff,

14 v.

15 DANIEL RODRIGUEZ,

16 Defendant.
17
18

Case No. 1:21-cr-00246-ABJ-1

**NOTICE OF PUBLIC
AUTHORITY DEFENSE**

19 Daniel Rodriguez, by and through counsel, hereby gives notice pursuant to
20 Federal Rule of Criminal Procedure 12.3 that he may assert as a defense at trial
21 that he was acting under public authority.¹
22

23 **I. RULE 12.3**

24 (a) Notice of the Defense and Disclosure of Witnesses.
25

26 ¹ Rule 12.3(a)(1) provides that the defendant must file the instant notice within the time provided for filing pretrial motions, or at any later time the Court sets.

1 (1) Notice in General. If a defendant intends to assert a defense
2 of actual or believed exercise of public authority on behalf of a
3 law enforcement agency or federal intelligence agency at the
4 time of the alleged offense, the defendant must so notify an
5 attorney for the government in writing and must file a copy of
6 the notice with the clerk within the time provided for filing a
7 pretrial motion, or at any later time the court sets. The notice
8 filed with the clerk must be under seal if the notice identifies a
9 federal intelligence agency as the source of public authority.

6 (2) Contents of Notice. The notice must contain the following
7 information:

8 (A) the law enforcement agency or federal
9 intelligence agency involved;

10 (B) the agency member on whose behalf the
11 defendant claims to have acted; and

12 (C) the time during which the defendant claims to
13 have acted with public authority.

14 **II. NOTICE**

15 A Public Authority Defense, while also stemming from the due process
16 clause, is grounded in the Federal Rules of Criminal Procedure that requires
17 notice to the Government. *See Fed. R. Crim. P. 12.3*. The foundation of the
18 public authority defense is that it offends due process to convict an individual
19 who was acting upon authorization of a government official. *See United States v.*
20 *Doe*, 705 F.3d 1134, 1145 (9th Cir. 2013). The genesis of the authority defense is
21 the decision in *United States v. Barker*, 546 F. 2d 940 (D.C. Cir. 1976).

22 In *United States v. Barker*, defendants were recruited to participate in a
23 national security operation led by a White House official, whom the defendants
24 had previously known as a CIA agent. *Barker*, 546 F.2d at 949. In reversing the
25 defendants' convictions, the appellate court carved out an exception to the
26

1 mistake of law rule that would allow exoneration of a defendant who relied on
2 authority. *Id.* at 947-49.

3 While it is not settled how this Circuit has interpreted *Barker* for purposes
4 of an affirmative defense, counsel for Mr. Rodriguez is filing this Notice out of an
5 abundance of caution.
6

7 In Accordance with Rule 12.3, Mr. Rodriguez is noticing the following,
8 tracking the requirements listed above:
9

10 (A) The Executive Branch - the law enforcement agency or federal
11 intelligence agency involved;

12 (B) Former President Donald Trump - the agency member on whose
13 behalf the defendant claims to have acted; and
14

15 (C) On or about January 6, 2021 - the time during which the
16 defendant claims to have acted with public authority.

17 **Dated:** October 15, 2021.
18

19 Respectfully submitted,

20 RENE L. VALLADARES
21 Federal Public Defender

22 /s/ *Rebecca A. Levy*
23 /s/ *Margaret W. Lambrose*
